## INSTITUTIONAL PURPOSES

The New International University (TNIU) is creatively designed to meet the needs of the world and those who desire an accredited American education. It is our firm conviction that education must be democratized so that it is affordable to all people. We believe education is the new missions frontier and the university will impact nations with the Gospel.

**To fulfill its mission, TNIU is committed to:**

- Provide instruction and enrichment for personal and professional development within a Spirit-filled community
- Teach the student to recognize Scripture's authority in all areas of life and provide a solid knowledge of the Bible
- Encourage development of a biblical and balanced Christian theology
- Increase awareness and appreciation of the Christian community's heritage, and in particular, the Spirit-filled community of faith
- Equip students with the basic skills for ministry, evangelism and work
- Cultivate within students a spirit of thoughtful inquiry and reflective discernment in the quest for knowledge and truth
- Enhance spiritual development by encouraging students in personal prayer and the spiritual disciplines
- Increase students' Biblical knowledge of moral and ethical standards and cultivate a lifestyle based on Scripture
- Prepare students for servanthood in the Church and community with sensitivity to the rich ethnic and cultural diversity and varied needs of the world
- Operate in an efficient and effective manner so as to be a good steward of the resources God has entrusted to TNIU
